To: 2028- Students <2028_students@iitism.ac.in>, 2027-Students <2027_students@iitism.ac.in>

Cc: Dean CD IITISM <dcd@iitism.ac.in>, Associate Dean CD IITISM <adcd@iitism.ac.in>, Placement IITISM <placement@iitism.ac.in>, Internship IITISM <internship@iitism.ac.in>, fics_cdc@iitism.ac.in

Dear Students,

With the ongoing **internship and placement season**, the **Career Development Centre (CDC)**, IIT (ISM) Dhanbad has compiled a curated collection of **learning platforms, practice resources, courses and reference websites** to support your preparation.

The resources have been organised across **Aptitude & Reasoning, Coding & DSA, Computer Science, AI/ML & Data Science, Core Engineering, and Analytics**, covering both **technical and non-technical** preparation.

NOTE: These resources are intended to serve as a starting point for structured preparation. Students are encouraged to go beyond these resources according to their target roles, companies, branches and individual preparation requirements.

APTITUDE, REASONING & ENGLISH

These resources can be used for **Quantitative Aptitude, Logical Reasoning, Verbal Ability and placement assessments**.

IndiaBIX

<https://www.indiabix.com/>

Quantitative Aptitude, Logical Reasoning, Verbal Ability and Technical Questions.

Mockers

<https://www.mockers.in/>

English, Reasoning and placement-oriented practice.

FacePrep

<https://faceprep.in/>

Placement preparation, aptitude and interview resources.

CareerRide

<https://www.careerride.com/>

Aptitude, reasoning, technical subjects and interview preparation.

Best Resources

Resource	Focus Area	Why Useful
R.S. Aggarwal	Quantitative Aptitude	Standard for service companies
Arun Sharma	Advanced Quant	Suited for analytics/consulting
FACE Prep	Company-specific patterns	Covers TCS, Infosys, Deloitte
GUVI (IIT Madras/IIM Ahmedabad backed)	Structured learning	Roadmap + mock tests
YouTube/Free PDFs	Topic practice	Accessible, visual explanations

Top Platforms for Aptitude, Reasoning & Verbal

Platform	Strengths	Best For
PlacementPreparation.io	Full-length timed mocks, company-specific (TCS, Infosys, Wipro, Accenture)	End-to-end placement simulation
IndiaBIX	Free fundamentals in Quant, Reasoning, Verbal	Beginners building basics
PrepInsta	Latest company-specific patterns, Verbal Ability mapped to NQT	Service-company prep
Testbook	Guided courses, analytics, All India Rank tracking	Structured learners
FACE Prep	Placement strategy guides, TCS NQT focus	Cognitive + coding balance
GeeksforGeeks	Coding + aptitude practice, product-company prep	Tech giants (Google, Amazon, Microsoft)
PlacementSeason	Weekly company-specific mocks	Regular timed practice
Youth4work	Community-driven aptitude tests	Peer competition

CODING, DATA STRUCTURES & ALGORITHMS

For students targeting **Software Development, Product-Based Companies, IT roles and other coding-intensive positions.**

Coding Practice

LeetCode : <https://leetcode.com/>

Codeforces : <https://codeforces.com/>

CodeChef : <https://www.codechef.com/>

MyCareerNet : <https://mycareernet.co/mycareernet>

Recommended DSA Roadmaps

Striver A2Z DSA Sheet

Striver SDE Sheet

RECOMMENDATION: Build strong fundamentals first and then maintain a consistent problem-solving routine through regular practice and contests.

COMPUTER SCIENCE & TECHNICAL PREPARATION

Useful for **CS/IT technical interviews, assessments and fundamental subject preparation.**

GeeksforGeeks

<https://www.geeksforgeeks.org/>

IndiaBIX

<https://www.indiabix.com/>

CareerRide

<https://www.careerride.com/>

NPTEL

<https://nptel.ac.in/>

SWAYAM

<https://swayam.gov.in/>

KEY AREAS

Data Structures & Algorithms | DBMS | Operating Systems | Computer Networks | Object-Oriented Programming | SQL | Programming Fundamentals

Students should focus on **conceptual clarity as well as practical problem-solving.**

ARTIFICIAL INTELLIGENCE, MACHINE LEARNING & DATA SCIENCE

For students targeting **AI/ML, Data Science and related technical roles.**

Learning Resources

DeepLearning.AI / Andrew Ng Courses

Coursera

<https://www.coursera.org/>

YouTube

Conceptual learning, implementation tutorials and project-based learning.

Practice & Competitions

Google Colab

<https://colab.research.google.com/>

Kaggle

<https://www.kaggle.com/>

Kaggle Competitions

<https://www.kaggle.com/competitions>

Essential Tools

Python | NumPy | Pandas | Scikit-learn | TensorFlow | Keras | PyTorch

FOR AI/ML ROLES: Students are advised to complement theoretical learning with **hands-on projects, implementation, model evaluation, competitions and GitHub work.**

CORE ENGINEERING — MECHANICAL & MINING MACHINERY

NPTEL

<https://nptel.ac.in/>

Courses covering core engineering subjects and technical concepts.

American Society of Mechanical Engineers (ASME)

<https://www.asme.org/>

Useful for strengthening technical fundamentals and developing industry awareness.

Students preparing for core roles should combine **fundamental concepts, numerical problem-solving, technical applications and industry knowledge.**

CORE ENGINEERING — PETROLEUM ENGINEERING

PetroGate Academy

<https://www.petrogate.in/>

OnePetro

<https://onepetro.org/>

Society of Petroleum Engineers (SPE)

<https://www.spe.org/>

Useful for **core petroleum concepts, technical references, industry knowledge and interview preparation.**

ANALYTICS & DATA-DRIVEN ROLES

For students targeting **Analytics, Business Analytics and Data-oriented roles.**

My Analytics School

Student-recommended resource for analytics preparation.

Students may complement their preparation with:

Excel | SQL | Statistics | Python | Power BI / Tableau | Case Studies | Business Problem Solving

Mock assessment platforms for practising industry-level preparedness:-

Key Categories of Mock Assessment Platforms

1. Company-Specific Prep

- **PlacementPreparation.io** – Full-length timed mocks for TCS, Infosys, Wipro, Accenture.
- **IndiaBIX** – Free aptitude practice, widely used for fundamentals.
- **PrepInsta** – Most updated test patterns, strong coding round prep.
- **GeeksforGeeks Practice** – Ideal for product companies (Google, Amazon, Microsoft).

- **Testbook** – Guided courses with All India Rank tracking.
- **PlacementSeason** – Weekly company-specific mocks during placement drives.
- **Mercer Mettl** -Enterprise-grade platform for psychometric tests, coding challenges, and domain-specific assessments. Used by IT services and consulting firms.
- **HirePro** End-to-end recruitment automation: online assessments, video interviews, proctoring, and campus hiring drives.
- **eLitmus** -Known for its pH Test — a standardised aptitude exam used by startups and product companies to shortlist candidates.
- **Pod.ai** -AI-driven recruitment platform focusing on coding, aptitude, and behavioural assessments. Often used in campus hiring.
- **Aon CoCubes** -Large-scale campus assessment solution with aptitude, coding, and domain tests—strong presence in Indian IT hiring.
- **AMCAT** -Employability-focused test covering aptitude, English, and domain skills. Widely recognised by IT services and startups.

2. Consulting Assessment Prep

- **DrillCase** – Simulates BCG Casey chatbot, Bain SOVA aptitude, McKinsey Solve gamified tests.
- **PrepLounge (case focus)** – Case interview practice, but less on digital assessments.
- **MConsultingPrep** – Specialised in McKinsey Solve and Bain SOVA formats.
- **IGotAnOffer** – Structured consulting prep, including digital test simulations.

3. Technical Hiring Platforms

- **HackerEarth** – Enterprise-ready, covers 1,000+ skills, ATS integrations, 10M+ developer community.
- **CodeSignal** – Psychometrically validated scoring, strong for coding interviews.
- **iMocha** – Hybrid coverage (technical + non-technical roles), high-volume hiring.
- **Codility** – Widely used for live coding and algorithmic assessments

IMPORTANT

- **Early preparation, consistent practice and strong fundamentals are the key to effective placement and internship readiness.**
- Students are encouraged to begin their preparation well in advance and make use of the resources relevant to their individual goals.

The Career Development Centre (CDC), IIT (ISM) Dhanbad wishes all students the very best for their upcoming internship and placement opportunities.

Prepare Early. Practise Consistently. Perform with Confidence.

Regards

--

Mr Munish Sharma

Placement Officer

Career Development Centre (CDC),

Indian Institute of Technology

(Indian School of Mines) Dhanbad- 826004, Jharkhand, India
